OFFICE OF THE STATE INFORMATION COMMISSION, SHILLONG

**ORDER**

**29-1-2007:** The PIO, Transport Department is present and the appellant is also present. The DAA is reported to be on Elections duties outside headquarter.

Heard the PIO who submitted that the information requested for by the appellant has not been denied, however, there has been mis-placing of the relevant file which contained the information. According to their register the file was marked to the Commissioner & Secretary, Transport Deptt., on 25-3-2004, however, with great difficulty and searching the file was located in the Personnel Department and could be retrieved on 27-1-2007. Non-availability of the relevant records has resulted to delay in furnishing the information. According to the PIO, the information asked for has already been supplied to the appellant a few days back.

Heard the appellant. While admitting receipt of copies of letters mentioned in his application the notings on the file has been typed out and the typed copy has been made available to him. According to the appellant what he requested for is a noting as in the file on the various representations/letters written by him. He has therefore, requested that a photo copy of the notes on each of the letters mentioned by him be made available to him.

Since the file contained many other things apart from the letters mentioned by appellant and so is the note-sheet portion of the file, let the PIO make photo copies of such notings which are relevant/pertinent to the letters mentioned by the appellant.

Fixed **19-2-2007 at 11:00 AM** for appearance and copies of desired documents.
