No. MIC/Complaint/2/2008/8

Dated Shillong, the 14<sup>th</sup> Feb, 2008

**ORDER**

14-02-2008 The P.I.O. and the Complainant are both present in the Commission today.  
Heard the P.I.O. who submitted that there is no intention to deny or refuse the request for information made by the Complainant. However due to lengthy nature of the queries and, some of them, not in her capacity to apprehend whether or not they are to be furnished under R.T.I. Act, 2005, she made a response to the requester for making the queries more pointed and specific.  
The Complainant submitted that there has been an undue delay in furnishing the information he had requested for and therefore the P.I.O. be penalized.  
Having heard both sides and having examined the records of the P.I.O. the Commission is of the opinion that the delay has arisen due to inexperience on the part of both the P.I.O. and the Complainant in dealing with R.T.I. matters.  
The Commission decided that the delay be condoned and the P.I.O. to furnish all the information already “created” in the records etc., of the Public Authority on or before the 29-02-2008 to the Complainant free of cost with intimation to the Commission.
