ORDER

Seen letter No. G/SF/RTI/2005 dated 27-1-2008 received from the Respondent Shri T.P.Marak, DFO, Social Forestry Division, East Garo Hills, Williamnagar. From the monthly diaries furnished by him duly countersigned by the DFO, Territorial Division, Tura, it appears that the Respondent did perform some duties in the West Garo Hills where he works as the Assistant Conservator of Forest, Garo Hills Territorial Division, Tura, though the diaries does not covered the entire period of delay, yet the Commission is convinced that the delay has not been willful or intentional. The show cause is accepted by the Commission with an expectation that the Respondent will exhibit better performance in future. Case disposed of.
