**ORDER**

Seen Review Petition submitted by the Review Petitioner dated 21-11-2008. According to the Review Petitioner he did not receive any intimation from the Respondent-PIO viz., the D.I. of Schools, East Khasi Hills, Shillong informing him to collect the amount of compensation awarded by the Commission as stated by him before the Commission on 18-11-2008 on which ground the Commission had made the Order on that date. According to him, this amounts to misleading the Commission by the Respondent-PIO.

Vide Order dated 10-11-2008, this Commission took cognizance of the complain petition dated 04-11-2008 from the Review Petitioner who claimed that the amount of compensation awarded by the Commission on 13-6-2008 has not been received by him; had called for a Report from the Respondent-PIO and had fixed 18-11-2008 at 1:00 PM for a Report by the Respondent-PIO. A copy of the above Order was also sent to the Review Petitioner at his address.

On 18-11-2008 the date fixed for the Report only the Respondent-PIO is present before the Commission; the Appellant-Review Petitioner was absent.

The date fixed for the Report by the Respondent-PIO was also intimated to the Review Petitioner with the view to enabling him to present his case, if he has anything, before the Commission. Since he was absent on the date fixed by the Commission without taking any steps, the Commission had disposed of the case as per the facts available with it.

That being the case, the Commission finds no merit in the Review Petition to warrant revision of its Order and hence dismissed it.

Let the Review Petitioner take necessary action as per this Commission's Order dated 18-11-2008. He is at liberty to approach the Commission in case the Respondent-PIO failed to comply with the above Order of the Commission.
