The Inspector of Schools, West Garo Hills, Tura - Respondent

ORDER

30-11-2009: The Respondent-PIO viz., Smti S.C.Marak, Inspector Schools, West Garo Hills, Tura is present in the Commission today. The complainant is absent. The Respondent-PIO filed the show cause before this Commission and submitted that the R.T.I. application dated 14-5-2009 was duly received in the office of the P.I.O. and the P.I.O. has duly attended to it and made ready the information on 12-6-2009 i.e. within the statutory period of 30 days. Vide letter SGWOPS/SHS/2009/5392 dated 15th June, 2009 the then P.I.O., Shri P.K.Hajong has already informed the complainant to collect the information as it involved payment of fees. However, the complainant did not turn up to collect the information till date and instead he filed the instant complaint before this Commission. The Respondent-PIO, therefore, denied that there is any refusal of information to the complainant and that the complainant filed by him before this Commission is not based on facts.

Having heard the submission of the P.I.O. and having examined the records and documents made available before it, this Commission is convinced that the P.I.O., has taken necessary steps to furnish the information within the time limit prescribed by Law and had duly requested the complainant to collect the information. It is, however,

observed that information at sub-para a & b of para 9 of the application has not been adequately reflected by the Respondent.

In view of the above, the Commission decided as follows:

- (1) The Respondent-PIO should furnish the information immediately to the complainant on payment of the requisite fee as per rule.
- (2) The present P.I.O. should also furnish additional information on item 9 (a & b) which has not been reflected in the information already prepared by the then P.I.O; free of cost.

With the above, the show cause is accepted.

The Respondent-P.I.O. to file compliance report by **10-12-2009**.

Case disposed of.
