**ORDER**

Both the Respondent and the Complainant are present in the Commission today. Heard the Respondent, D.F.O., Social Forestry Division, East Khasi Hills who submitted that he received the application dated 3-12-2008 on 29-1-2009 and that he had furnished the information on 20-2-2009. According to him the delay occurs because the proper address was not given by the Complainant and the application was placed on his table by somebody and that he had furnished the information so far it relates to his Division. The Complainant admitted that she had received the information and also admitted that due to lack of information of correct addresses of the concerned public authorities dealing with the information she might not have submitted her application to the correct office or the correct PIO. She has been advised by the Commission to address her application to the PIOs concern or to the Office of the Principal Chief Conservator of Forest, Meghalaya address SYLVAN House, Shillong in case she is not sure of the correct PIOs who are dealing with the subject matter of the information required. The concerned PIO of the Head Office may either collect the information or ask different PIOs to furnish the information independently.

Case disposed of.
